ABOUT ME

20-year-old professional with 2 years of experience in graphic design and front-end development. Proficient in HTML, CSS, Git Version Control, JavaScript, jQuery, and ReactJS.

Currently a PEP Developer at Paragon Customer Communications, collaborating with clients such as Connells & Kellogg's. Specializing in scalable and innovative software solutions that seamlessly integrate e-commerce functionalities with robust content management systems.

Committed to ongoing learning and leveraging emerging technologies to excel in software engineering.

EXPERIENCE

PEP DEVELOPER
MARCH 2022 – PRESENT (2 YRS+)

As a PEP Developer, I design and implement innovative e-commerce solutions for clients like Connells & Kellogg's. Specializing in scalable, high-quality solutions, I streamline digital operations and elevate online presence for major enterprises.

WEBSITE MANAGER
NOVEMBER 2022 – PRESENT (1 YRS+)

Oversaw website migration project, transferring site to new platform. Managed file retrieval, DNS configuration, and database integration. Successfully linked site to WordPress, set up email systems on Hostinger.

EDUCATION

PETERBOROUGH REGIONAL COLLEGE
2020 - 2021

Engaged in comprehensive computing coursework at Peterborough Regional College.

IT CAREER SWAP
2021 - 2022

Remote Web Development training to help me get familiarized with various programming languages for full stack development, as well as the best practices for UI & UX.

SKILLS

- Node & Express JS
- Graphic Design
- Content Management System
- ReactJS
- SQL
- jQuery
